Performing the following procedures: central venous catheterisation guided by ultrasound, endotracheal intubation, transvenous pacemaker placement, thoracentesis, paracentesis, chest tube drainage of the pleural space and lumbar puncture. Also attending to pregnant women with hypertension and preeclampsia.
Facility	General Hospital Pedreira – Intensive Care Unit Major secondary reference hospital in general surgery, pediatric surgery, vascular surgery, orthopedics, otolaryngology, gynecology, obstetrics, and neonatology. The General Hospital Pedreira offers 24-hour Emergency Room, seven operating rooms and 289 beds - adult and pediatric wards, maternity, adult, pediatric and neonatal ICUs.
Address	R. João Francisco de Moura, 251 Vila Campo Grande, São Paulo – SP, 04455-170
Country	Brazil

Period	20/06/2024 – On Going
Position Title	Intensive Care Senior Registrar
Responsibilities	Full time, in charge of 10 beds. Shift time work, attending to 10 patients with neurological & cardiological conditions and patients post general surgery procedures. I directly performed all the necessary medical procedures on ICU patients.
Facility	General Hospital Pedreira – Intensive Care Unit Major secondary reference hospital in general surgery, pediatric surgery, vascular surgery, orthopedics, otolaryngology, gynecology, obstetrics, and neonatology. The General Hospital Pedreira offers 24-hour Emergency Room, seven operating rooms and 289 beds - adult and pediatric wards, maternity, adult, pediatric and neonatal ICUs.
Address	R. João Francisco de Moura, 251 Vila Campo Grande, São Paulo – SP, 04455-170
Country	Brazil

Period	08/04/2024 to 05/05/2024
Position Title	Observer in Emergency Department
Responsibilities	Full Time: 38h per week Shadowing HMO when treating patients in the Main Stay, Fast Track and Short Stay Units. Taking history, examining patients, and discussing cases with Emergency Consultant.
Facility	Emergency Department
Address	41 Landsborough Street, WARRAGUL, VIC 3820
Country	Australia

Gap in professional practice: after two years of intensive and uninterrupted daily work with the COVID pandemic patients in Brazil, I returned to Australia to rest with my family and to prepare for my professional start in the Australian medical system.

Note about Covid-19 Pandemics: in my last two years in Brazil, I worked an exceptional number of weekly hours in order to attend to the unprecedented demand for health services.

Period	09/2016 to 12/2021
Position Title	Senior Emergency Medicine Registrar
Responsibilities	Part Time: 24h per week In charge with 2 other colleagues of 20 beds and supervising 4 junior doctors. I supervised training doctors attending to patients with infectious, cardiological, neurological and psychiatric conditions, and performing the following procedures: central venous catheterisation guided by ultrasound, endotracheal intubation, transvenous pacemaker placement, thoracentesis, paracentesis, chest tube drainage of the pleural space and lumbar puncture.

	In February 2020, the hospital became the regional reference health provider for COVID-19. Therefore, from this point in time, I worked exclusively with COVID-19 inpatients.
Facility	Hospital Municipal Dr. Moysés Deutsch (M'Boi Mirim) – Emergency Department Major reference secondary hospital resulting from a partnership between the Albert Einstein Hospital and the City of São Paulo to provide medical training and excellent treatment to a population of 1 million people. Know more about this very special hospital: https://www.youtube.com/watch?v=oveubXEp99s
Address	Estrada do M'Boi Mirim, 5203 Jardim Angela, São Paulo – SP, 04948-970
Country	Brazil

Period	04/2021 to 12/2021
Position Title	Intensive Care Senior Registrar
Responsibilities	Part Time: 24h per week, in charge of 10 beds. Shift time work, attending to 10 patients with neurological & cardiological conditions and patients post general surgery procedures. I directly performed all the necessary medical procedures on ICU patients.
Facility	Hospital de Clínicas Caieiras – Intensive Care Unit Secondary private hospital with 58 beds, divided into apartments, infirmary rooms, and adult, neonatal and pediatric ICUs.
Address	Av. Prof. Carvalho Pinto, 53 Centro, Caieiras – SP, 07700-210
Country	Brazil

Period	07/2021 to 12/2021
Position Title	Intensive Care Senior Registrar
Responsibilities	Part Time: 24h per week, in charge of 10 beds. I worked in the ICU, attending to 10 patients with oncological conditions and complications derived from chemotherapy and performing all the necessary medical procedures.
Facility	ICESP: Institute of Cancer São Paulo - Intensive Care Unit The ICESP is a referral hospital for oncological diseases and the largest public hospital in Brazil and Latin America specialising in oncology. Know more about medical research in this hospital: https://www.ncbi.nlm.nih.gov/pmc/articles/PMC6367885/
Address	Avenida Dr. Arnaldo, 251 Cerqueira César, São Paulo – SP, 01246-000
Country	Brazil

Period	04/2020 to 06/2021
Position Title	Intensive Care Senior Registrar

Responsibilities	Part Time: 24h per week, in charge of 10 beds. Shift time work, exclusively attending to COVID-19 patients and performing all the necessary medical procedures.
Facility	General Hospital Carapicuíba – Intensive Care Unit Secondary regional hospital.
Address	Rua da Pedreira, 95 Parque Jose Alexandre, Carapicuíba – SP, 06321-665
Country	Brazil

Period	06/2015 to 12/2021
Position Title	Intensive Care Senior Registrar
Responsibilities	Part Time: 24h per week, in charge of 10 beds. Shift time work, attending to 10 patients with neurological & cardiological conditions and patients post general surgery procedures. I directly performed all the necessary medical procedures on ICU patients.
Facility	General Hospital Pedreira – Intensive Care Unit Secondary reference hospital in general surgery, pediatric surgery, vascular surgery, orthopedics, otolaryngology, gynecology, obstetrics, and neonatology. The General Hospital Pedreira offers 24-hour Emergency Room, seven operating rooms and 289 beds - adult and pediatric wards, maternity, adult, pediatric and neonatal ICUs.
Address	R. João Francisco de Moura, 251 Vila Campo Grande, São Paulo – SP, 04455-170
Country	Brazil

Period	01/2015 to 05/2015
Position Title	Senior Medical Doctor
