Immunisation Risk Category	<input checked="" type="checkbox"/> Category A (direct contact with blood or body substances) <input type="checkbox"/> Category B (indirect contact with blood or body substances) <input type="checkbox"/> Category C (minimal patient contact)

ROLE CONTEXT

Primary Objective(s) of role:

The Emergency Resident/Registrar will:

- > Be responsible for managing the care of all patients allocated to them in the Emergency Department in collaboration with the responsible medical staff, nurses and allied health professionals. This includes providing code blue support afterhours for the inpatient medical unit.
- > Participate in a 24-hour 7-day roster.
- > Be involved in continuing education activities.
- > Participate in education and training for medical and nursing staff.
- > Encourage and support teamwork amongst medical, nursing, and allied health staff for optimal clinical service outcomes.
- > Be involved in Continuous Quality Improvement activities.

Barossa Hills Fleurieu Local Health Network is committed to excellence in care delivery, through best practice care and the pursuit of quality improvement and innovation.

To promote this, the SFHS has focused on developing structures and processes that:

- > Place care delivery at the centre of the hospital's systems and structures.
- > Devolve authority and responsibility as near as practicable to the point of service delivery.
- > Facilitate and promote a team approach to processes of care delivery and ongoing improvement.
- > Establish clear lines of accountability and open the organisation to external scrutiny.
- > Encourage staff and consumers to participate in the on-going evaluation of organisational performance and the determination of future directions.

In the provision of clinical services, it requires:

- > A focus on patient benefit
- > Accountable practice, which is where possible, evidence based
- > Benchmarking of performance against national best practice
- > A culture of safety and ongoing improvement at all levels

Direct Reports:

- > Nil

Key Relationships/ Interactions:Internal

- > Responsible to the SFHS Emergency Department Clinical Director
- > SFHS Emergency Department Consultants
- > Administration, Allied Health and Nursing staff

External

- > Liaises with other Divisions and Services of SFHS, with other health providers in the community and hospital sector and with the broader community in the pursuit of comprehensive patient care.

Challenges associated with Role:

Major challenges currently associated with the role include:

- > Maximising patient outcomes through innovative patient care
- > Increasing numbers and complexity of patients to care for
- > Newly established model of care

Delegations:

- > N/A

Resilience:

SA Health employees persevere to achieve goals, stay calm under pressure and are open to feedback.

Performance Development

The incumbent will be required to participate in the organisation's Performance Review & Development Program which will include a regular review of the incumbent's performance against the responsibilities and key result areas associated with their position and a requirement to demonstrate appropriate behaviours which reflect a commitment to SA Health values and strategic directions.

General Requirements:

Managers and staff are required to work in accordance with the Code of Ethics for South Australian Public Sector, Policies and Procedures and legislative requirements including but not limited to:

- > Work Health and Safety (WHS).
- > Equal Employment Opportunities (including prevention of bullying, harassment and intimidation).
- > Keeping Them Safe Legislation (inclusive of Mandatory Notifier).
- > Disability Discrimination.
- > Code of Fair Information Practice.
- > Relevant Awards, Enterprise Agreements, Public Sector Act 2009, Health Care Act 2008, and the SA Health (Health Care Act) Human Resources Manual.
- > Relevant Australian Standards.
- > Duty to maintain confidentiality.
- > Smoke Free Workplace.
- > To value and respect the needs and contributions of SA Health Aboriginal staff and clients and commit to the development of Aboriginal cultural competence across all SA Health practice and service delivery.
- > Applying the principles of the South Australian Government's Risk Management Policy to work as appropriate.

Handling of Official Information:

By virtue of their duties, SA Health employees frequently access, otherwise deal with, and/or are aware of, information that needs to be treated as confidential.

SA Health employees will not access or attempt to access official information, including confidential patient information other than in connection with the performance by them of their duties and/or as authorised.

SA Health employees will not misuse information gained in their official capacity.

SA Health employees will maintain the integrity and security of official or confidential information for which they are responsible. Employees will also ensure that the privacy of individuals is maintained and will only release or disclose information in accordance with relevant legislation, industrial instruments, policy, or lawful and reasonable direction.

White Ribbon:

SA Health has a position of zero tolerance towards men's violence against women in the workplace and the broader community. In accordance with this, the incumbent must at all times act in a manner that is non-threatening, courteous, and respectful and will comply with any instructions, policies, procedures or guidelines issued by SA Health regarding acceptable workplace behaviour.

Cultural Statement:

Barossa Hills Fleurieu LHN welcomes Aboriginal and Torres Strait Islander people and values the expertise, cultural knowledge and life experiences they bring to the workplace. Barossa Hills Fleurieu LHN is a culturally inclusive work environment that is respectful of Aboriginal and Torres Strait Islander culture.

Special Conditions:

- > It is mandatory that no person, whether or not currently working in SA Health, will be eligible for appointment to a position in SA Health unless they have obtained a satisfactory National Police Certificate (NPC).
- > Prescribed Positions under the Child Safety (Prohibited Persons) Act 2016 must obtain a satisfactory Working with Children Check (WWCC) through the Department of Human Services (DHS) Screening Unit.
- > Approved Aged Care Provider Positions as defined under the Accountability Principles 1998 made in pursuant to the Aged Care Act 2007 (Cth) must obtain a satisfactory National Police Certificate (NPC).

through the South Australian Police confirming the clearance is for the purpose of unsupervised contact with vulnerable groups.

- > Prescribed positions under the Disability Services Act 1993 must obtain a satisfactory Disability Services Employment Screening through the Department of Human Services (DHS) Screening Unit.
- > NPCs and DHS Disability Services Employment Screenings must be renewed every 3 years thereafter from date of issue.
- > WWCCs must be renewed every 5 years thereafter from date of issue.
- > Depending on work requirements the incumbent may be transferred to other locations across SA Health to perform work appropriate to classification, skills and capabilities either on a permanent or temporary basis subject to relevant provisions of the *Public Sector Act 2009* for Public Sector employees or the *SA Health (Health Care Act) Human Resources Manual* for Health Care Act employees.
- > The incumbent may be required to participate in Counter Disaster activities including attendance, as required, at training programs and exercises to develop the necessary skills required to participate in responses in the event of a disaster and/or major incident.
- > Appointment is subject to immunisation risk category requirements (see page 1). There may be ongoing immunisation requirements that must be met.

Key Result Area and Responsibilities

Key Result Areas	Major Responsibilities
Ensuring that a comprehensive, effective and efficient emergency and medical service is provided within accepted standards of practice by:	<ul style="list-style-type: none"> > Providing medical service to SFHS ED patients. > Adhering to policies, protocols and procedures as determined by the Barossa Hills Fleurieu Local Health Network and the SFHS ED that will ensure the provision of a high standard medical practice. > Meeting agreed Key Performance Indicators for the delivery of care in the SFHS ED, for example, waiting times and most importantly quality indicators. > Documenting a complete exposition of the presenting problem and any relevant psychosocial history. > Ensuring that the examination and history are sufficient to deal with the presenting complaint and any other related problems. > Ensuring that the assessment provides a working diagnosis and justifies the need for any investigations, which may be ordered at this point. > Initiating the discharge process at the earliest opportunity. This will include the ordering of drugs and equipment, arranging post-discharge management and follow-up in consultation with the patient's normal carers and General Practitioner, and the writing of an accurate discharge letter or summary. > Providing an effective and accurate clinical handover of patient care at the change of shifts.

- > At least 6 months ED experience in a clinical capacity.
- > Some paediatric patient management experience.
- > Experience working with Aboriginal consumers.

Knowledge

- > Knowledge and understanding of contemporary medical practice and procedures appropriate to the level of the position.
- > Knowledge and understanding of investigations and treatments appropriate to the level of the position.
- > Demonstrated understanding of the principles of contemporary medical education and research.
- > Demonstrated understanding of the issues affecting Aboriginal people and the impact on health outcomes.
- > Demonstrated understanding of contemporary issues relating to rural health in South Australia. Current knowledge of emergency medicine including skill requirements, procedures, equipment and the clinical implementation of equipment.
- > Knowledge of Quality Improvement and Human Resource Management principles and procedures.
- > Knowledge of the SA Health Code of Fair Information Practice and the SA Health Patient Safety Framework.
- > General understanding of Aboriginal culture and a willingness to undertake further training in this area.

DESIRABLE CHARACTERISTICS

- > Ability to work constructively with colleagues including nursing staff and multidisciplinary team members.

Educational/Vocational Qualifications

- > Other Post-Graduate, overseas comparable specialist, research or educational qualifications.

Personal Abilities/Aptitudes/Skills:

- > Patient focussed.
- > Culturally sensitive.

Experience

- > Experience in Emergency Departments in Australia or a comparable health care system.
- > Clinical experience in general practice, rural and remote medicine or emergency medicine in a rural region.

Knowledge

- > A sound clinical knowledge of emergency medicine practices in Australia or a comparable health care system.

Organisational Context

Organisational Overview:

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians.

Our Legal Entities:

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Wellbeing.

The legal entities include but are not limited to Department for Health and Wellbeing, Central Adelaide Local Health Network, Northern Adelaide Local Health Network, Southern Adelaide Local Health Network, Women's and Children's Health Network, 6 regional Local Health Networks and SA Ambulance Service.

SA Health Challenges:

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australians have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Health Network/ Division/ Department:

Barossa Hills Fleurieu Local Health Network has an expenditure budget of around \$280 million and an employed workforce of over 2000.

The LHN encompasses country hospitals and health services that provide support and services to approximately 12% of the South Australian population.

The region is an area of significant population growth for South Australia. Our sites and services are located at Mt Barker, Gawler, Victor Harbor (Southern Fleurieu), Strathalbyn, Kingscote, Mt Pleasant, Angaston, Tanunda, Gumeracha, Eudunda and Kapunda. The LHN has 11 public hospitals, 6 aged care facilities and an extensive range of community-based services.

A range of clinical services are delivered including Acute care, Medical, Accident and Emergency, Surgery, Birthing and Midwifery, Specialist Consultancy, Renal Dialysis, Chemotherapy, Transfusions, Rehabilitation, Residential Aged Care, Respite Care, Transitional Care Packages, Aboriginal Health, Mental Health, Allied Health, Community Health (Country Health Connect), Community Nursing, Palliative Care, Community Home Support Packages and Home Modifications.

The Rural and Remote Mental Health Service at Glenside, Adelaide, provides services to the region with a team including psychiatrists, psychologists, social workers, occupational therapists and mental health nurses. There are also specialist youth mental health clinicians and access to specialist older persons mental health services.

The Barossa Hills Fleurieu Local Health Network is the host LHN for the Rural Support Service. The RSS supports all six regions LHNs by bringing together a number of specialist clinical and corporate advisory functions focused on improving quality and safety.

Values

Barossa Hills Fleurieu LHN Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our Local Health Network:

- > We are committed to the values of trust, respect, integrity, collaboration and kindness.
- > We value care, excellence, innovation, leadership and equity in health care provision and health outcomes.
- > We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

Code of Ethics

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees:

- > Democratic Values - Helping the government, under the law to serve the people of South Australia.
- > Service, Respect and Courtesy - Serving the people of South Australia.
- > Honesty and Integrity - Acting at all times in such a way as to uphold the public trust.
- > Accountability- Holding ourselves accountable for everything we do.
- > Professional Conduct Standards- Exhibiting the highest standards of professional conduct.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.

SA Health acknowledges culture and identity as being integral to Aboriginal health and wellbeing and is committed to improving the health of Aboriginal people.

SA Health vision for Reconciliation is the gap is closed on Aboriginal health disadvantage; and Aboriginal people share the same rights, respect and access to opportunities and benefits as all South Australians.
