- You may wish to seek input into the assessment from other clinical and administrative staff (including previous supervisors and co-supervisors who should be listed on this form), who may be more familiar with some aspects of the IMG's performance.
- Arrange a mutually agreed time to meet with the IMG and discuss the review.
- Complete the 'recommendation' section.
- Both you and the IMG must sign the form at the end of the feedback session and the form must be sent to Ahpra.
- Where a DMS or DCT has delegated the day-to-day supervision to term co-supervisors, this work performance report can be completed by the term co-supervisor(s).
