

PLACEMENT IN THE AMC CLINICAL EXAMINATION

Dear Dr. Subasic De Azevedo,

AMC Candidate Number: **2125704**

Your placement has been confirmed and you are scheduled to sit the Australian Medical Council (AMC) Clinical examination at AMC Test Centre, Level 3, 1010 La Trobe Street, Docklands on Thursday 16th April 2026. Your receipt of the examination fee is attached with this placement letter.

EXAMINATION DETAILS

Date 16th April 2026
Report time 12:00pm
Venue AMC Test Centre
Address Level 3, 1010 La Trobe Street, Docklands

All candidates are required to meet in the foyer on the ground floor of 1010 La Trobe Street no later than **12:00pm**. An AMC Marshal will greet you and escort you to the reception area, where you will sign in for the examination. All candidates **MUST** arrive promptly.

Important note - Due to the structure and timing of the examination day, candidates arriving **after 12:30pm** will be **excluded** from undertaking the examination.

Candidates should note that the Clinical examination including the sign-in process, is approximately 5 hours in duration. The AMC advises that you take this into consideration when booking transportation and accommodation.

Please find below an approximate schedule of timings for the Clinical examination:

REPORTING TIME	Administration Timeline (<i>Please note: these are approximate timings</i>)
12:00pm	Candidates arrive and sign in
12:30pm	Candidates arriving after this time will not be allowed to undertake the examination
1:00pm	Examination commences
5:00pm	Examination concludes
5:00pm	Candidates released from examination venue

Please note: Any equipment required will be available in the examination room, however candidates are permitted to bring their own stethoscope to the clinical examination (electronic stethoscopes are not accepted). The required dress standard for candidates is professional attire. This should not include medical attire, such as white coats, lab coats or scrubs.

Lockers will be provided for your personal belongings for the duration of the examination. Your phones must be switched off and placed in your locker after signing in. Please also note the AMC policy on the following recording devices which are NOT allowed in the examination area or rooms. These include ALL of the following: no personal items including mobile phones or other electronic devices, pagers, watches, smart watches, necklaces, wallets, purses, hats, bags, books and notes/paper. Candidates will be allocated a locker in which personal items can be placed.

Tea, coffee and biscuits are provided prior to the examination. Candidates are permitted to bring a light snack in the examination waiting area prior to the commencement of the examination. Food or drink is **not** allowed to be taken into the examination.

ID DOCUMENTATION REQUIRED

You must provide two forms of identification when signing into the AMC Clinical examination:

1. The primary identity document must contain your photograph and signature.

Examples of Standard Primary IDs:

- Driver's licence
- Passport
- State/country identification card
- Alien registration card (green card, permanent resident visa)

2. The secondary identity document must contain your signature.

Examples of Standard Secondary IDs:

- Credit/ATM card
- Any Primary ID
- US social security card

CLINICAL EXAMINATION FORMAT

There will be 14 scored items and 2 pilot items (not scored) and 4 rest stations. Each assessed station will consist of 2 minutes reading time and 8 minutes in the examination room.

The end of each 2-minute reading and 8-minute examination period will be signalled by an audio notification. Examination marshals will always be available to guide you between your stations. Stations may utilise actual patients, role playing patients, standardised patients or video patient presentations. There may also be telephone cases where the candidate is required to either answer an incoming call or make an outgoing call. Candidates should regard all patients as they would in a real clinical setting. For more detailed information on the clinical specifications, download the Clinical Examination Specifications publication on the AMC website.

Equipment for each station is provided for your use inside the examination room. You may bring your own hammer with you, although this is not necessary, as this will be provided inside stations for which it is required. Rest stations are of ten minutes duration. While at a rest station, drinking water and access to toilets will be available.

WITHDRAWALS

If you wish to withdraw from the examination due to illness or personal circumstances, please contact the AMC at your earliest opportunity. Withdrawal fees will apply. It is in your best interests to be well enough to attempt the examination; if you have concerns, please notify the AMC by email: clinical@amc.org.au.

If you are unable to attend on the day of examination, please email clinical@amc.org.au. For withdrawal procedures and fees please visit the AMC website at www.amc.org.au.

RESULTS

Results for all clinical examinations will be available on your candidate portal from 4:00pm on the Friday three weeks following your examination.

Kind Regards,

Clinical Examination Team
