

POSITION DESCRIPTION

Career Medical Officer

Our CORE values
Collaboration Openness Respect Empowerment

Organisation	NSW Health
Local Health District / Agency	Western Sydney Local Health District
Position Classification	Career Medical Off Gde 2
State Award	Public Hospital Career Medical Officers (State) Award
Category	Medical Officers Emergency Medicine
Vaccination Category	Category A
Website	www.wslhd.health.nsw.gov.au/

PRIMARY PURPOSE

The purpose of the position is the provision of safe and effective emergency care to patients who present to the Emergency Department

RESPIRATOR USE

NSW Health workers may be required to use a respirator, as part of their appointment with NSW Health. Where a respirator is required for use, workers will be instructed in their safe use; including donning, doffing and fit checking. Staff may be required to complete fit testing to selected respirator/s to assess their facial fit/seal.

At all times when a health worker is required to use a respirator, the health worker must not have any facial hair present. Processes are in place to support workers that need to keep facial hair due to religious observance requirements and/ or health conditions.

ESSENTIAL CRITERIA

- MBBS or equivalent, currently registered with the Medical Board of Australia
- Valid Working with Children Check
- Cleared National Police Check
- To be employed by NSW Health you are required to provide evidence of vaccination to comply with the NSW Health Policy Directive PD2018_009 for Occupational assessment, screening and vaccination against specified infectious diseases, this includes any amendments made from time to time.
