

POSITION DESCRIPTION

Senior Resident Medical Officer

Our CORE values	Collaboration Openness Respect Empowerment	<i>transforming your experience</i>
Organisation	NSW Health	
Local Health District / Agency	South Western Sydney Local Health District	
Position Classification	JMO Senior Resident Medical Officer	
State Award	Public Hospital Medical Officers (State) Award	
Category	Medical Officers Intensive Care Medicine	
Vaccination Category	Category A	
Website	www.swslhd.health.nsw.gov.au	

PRIMARY PURPOSE

This is a Senior Resident Medical Officer position that will allow supervised experience and training in Intensive Care Medicine and Anaesthetics.

The primary purpose of the Senior Resident Medical Officer (SRMO) in Intensive Care Medicine is to provide clinical care, under appropriate supervision, to patients requiring critical care.

This 12 month appointment is made up of 6-month attachments in Intensive Care Medicine and 6 months in Anaesthetics.

RESPIRATOR USE

NSW Health workers may be required to use a respirator, as part of their appointment with NSW Health. Where a respirator is required for use, workers will be instructed in their safe use; including donning, doffing and fit checking. Staff may be required to complete fit testing to selected respirator/s to assess their facial fit/seal.

At all times when a health worker is required to use a respirator, the health worker must not have any facial hair present. Processes are in place to support workers that need to keep facial hair due to religious observance requirements and/ or health conditions.

ESSENTIAL CRITERIA

- Sufficient clinical experience in order to undertake the key accountabilities for this role
- Valid Working with Children Check
- Cleared National Police Check
- Aged Care Check for Australian Government funded positions
- To be employed by NSW Health you are required to provide evidence of vaccination to comply with the NSW Health Occupational Assessment, Screening & Vaccination against Specified Infectious Diseases Policy, this includes any amendments made from time to time

POSITION DESCRIPTION

Senior Resident Medical Officer

KEY ACCOUNTABILITIES

During training in Intensive Care Medicine and Anaesthetics, trainees will have various responsibilities including:

- Providing supervised intensive care services within the ICU, participating in daily ICU ward rounds and performing the roles of Medical Emergency Team leader.
- Providing supervised anaesthetic services.
- Ensure accurate documentation in relation to patient care, with confidentiality and privacy, to ensure timely and efficient communication, and that patient records are effective and accurate for current and future use.
- Participate in after-hours rosters including nights and weekends.
- To assist in the day-to-day management of (critically ill) patients as directed.
- Participate in weekly journal club, MET and Trauma audit meetings.
- Participate in regular morbidity and mortality meetings.

Research and Teaching

- Participate in research projects which contribute to enhancing scholarly knowledge, skill & understanding and obtaining better patient outcomes within the department.

Orientation

- Attend all applicable organization-wide, hospital, department and role orientation sessions.
- Complete mandatory training as required by the hospital, local health district and NSW Health.

Supervision

- The Senior Resident Medical Officer will have access to a senior supervisor at all times.

Other responsibilities

- Model the NSW Health CORE Values of Collaboration, Openness, Respect and Empowerment.
- Actively monitor and manage own safety and wellbeing, seeking assistance when needed.

KEY CHALLENGES

- Working collaboratively as part of the multidisciplinary critical care system to optimally manage critically ill patients.
- Balancing mandated training and education requirements with service provision, within the limitations of a busy public health service.
- Organising and prioritising time for clinical, education and research responsibilities.

POSITION DESCRIPTION

Senior Resident Medical Officer
